## Scroll Craft Instructions

Apply glue to the empty paper towel tube. Place that on one end of a sheet of paper. Roll the paper over the tube until the tube is completely covered with the paper. The paper will extend a few inches. Set the tube aside to let it dry. (You may want to do this in advance of the first session.)

Secure the roll with a ribbon or piece of yarn.

## Schedule

Four sessions meeting 45 minutes each

### Session 1: Jesus Was a Storyteller

Scroll Craft:

Have children draw a picture of a boat as they imagine Jesus standing on it and telling stories. Then draw a picture of the crowd around Jesus. After it is complete, tape or glue the picture to the open end of the paper to make the scroll longer.

### Session 2: Jesus was a Teacher

Page 7: Color then cut out and glue the pictures on a new sheet of paper. Add this paper to the scroll from the previous session.

### Session 3: Jesus Was a Friend

Page 15: Color the figures and have the children draw themselves in the blank square. Cut out and tape or glue to a new piece of paper so the figures are around Jesus. Connect Jesus with his friends by using a marker to draw lines from Jesus to each figure.

### Session 4: Jesus Was a Healer

Page 21: Color then cut out the figures. Follow instructions on page 22 of the Counselor manual for this craft.
