

## Uniforming Your Scout

A big part of Scouting is the uniform. In Pack 295, we uniform from the waist up:

- Official Cub Scout shirt
  - T-shirt for Lions
  - Blue button down for Tigers, Wolves, Bears
  - Tan button down for Webelos and Arrow of Light
- Neckerchief and Slide
- Hat
- Belt (Lions, Tigers, Wolves and Bears earn belt loops to wear on their belt)
- Pack Class B T-shirt
- Webelos Colors (Webelos and Arrow of Light only)

Scouts are thrifty, so we encourage you to seek used uniform items before buying new. Some items may be available from our previous Scouts at our first pack meeting, or you may wish to look on Facebook Marketplace or eBay for items. You may want to consider buying a size larger to get longer use out of your uniform shirt - some Tigers are able to wear the same uniform shirt through their Bear year.

We will have the Scout Shop come to one of our meetings this fall and set up for uniform purchases.

If budget is a concern, then please use our enclosed Scholarship Application to request assistance.

**Uniforms are not required until our  
November activities and Pack meetings.**
