

**Special NOVA Patch Opportunity**  
**Created by Lisa Scarbrough, Cub Scout Pack 295, Guyton, GA**

1. Watch video about viruses and germs:  
<https://www.youtube.com/watch?v=7D0eIsuZC3w>
2. Watch video about Coronavirus by CDC:  
<https://www.youtube.com/watch?v=R-JbDMYmAQM>
3. Do the "everything you touch" activity from  
[https://www.columbus.gov/uploadedfiles/Public\\_Health/Content\\_Editors/Resources\\_For/Educators/Teaching%20young%20children%20handwashing.pdf](https://www.columbus.gov/uploadedfiles/Public_Health/Content_Editors/Resources_For/Educators/Teaching%20young%20children%20handwashing.pdf)

You need: White paper, crayons, and tape.

1. Have children draw and color pictures of small germs on paper. Make up your own germs or print some from [www.scrubclub.org](http://www.scrubclub.org).
  2. Have children tape the pictures around the room on everything they touch over a 1/2 hour.
  3. Look around at the room at the end of that time and talk about how they themselves pick-up and spread germs like these to all of these things.
4. Read over page 17 and 23 and do the Handwashing Word Scramble, Word Search, and pledge from  
<https://www.cdc.gov/flu/pdf/freeresources/updated/teachingchildrenflu.pdf>
  5. Say the Scout Oath and Law while washing your hands.
  6. Email your NOVA counselor with photos showing activities completed to earn the special patch.

*Patch available through Advantage Emblem.*
